Temporary increase of pay to the sweepers in Bowringpet Municipality.

Sir,

Adverting to G.O.No.L.9574-5/D.4-44-6 dated 23rd March 1945 sanctioning the temporary increase to the sweepers in Bowringpet Municipality at Rs.3/- per month per head on account of the rise of cost of living during the war conditions and the special nature of the locality owing to its proximity to the Kiring area where the wages are higher, I have the honour to state that it is reported by the President of the Municipality that these sweepers are pressing for the enhanced rate of pay ever since 1st July. The Municipal Council held a special meeting to consider the question and have resolved on 7/8/45 that in addition to the Dearness allowance, the temporary increase of Rs.3/- per head may be continued for this year. Due provision for the extra cost which amounts to Rs.312/-

Letter No.M.C.2/45-6 dated 23/8/45 from the President, Bowringpet Municipality, to the Deputy Commissioner, Kolar.

I beg to state that the sweepers and scavengers of this Municipality were given a temporary increase at Rs.3/- per mensem for 6 months from January to end of June 1945 as per G.O.I.9574-5/M 1.4-44-61 dated 23/3-45 due to the present hard situation for living. The above temporary increase was not paid thereafter in August 1945, drawn in the pay bill for July 1945 as there was no provision in this respect. On this account, the above sweepers and scavengers struck work on 4/8/45 and the President immediately, called for a special meeting of the council which was held on 7/8/45. It was unanimously resolved that the temporary increase sanctioned in G.O. referred to above be continued for a period of one year from July 1945 and that this should be in addition to the war allowances of Rs.8/- sanctioned by Government and the said temporary increase be paid in anticipation of sanction etc. A copy of the resolution is enclosed for kind perusal.

As the said menials were assured of grant at the enhanced rates, they have all been working as usual but they want the enhanced amounts to be drawn and disbursed immediately.

In the budget estimate of the cur... increment at Re.1/- to each sweeper has been ... while the scavengers have been recommended to ... with their temporary rise in their pay at Rs.3/- per month. It has also been proposed to raise the strength of the sweepers from 17 to 20. But in the present circumstances, as the sweepers too have been recommended to be continued to be paid at Rs.3/- i.e., Re.2/- to each of them in addition to the proposed Rs.1/- I request that the temporary increase be sanctioned to all the existing staff (26 in number) for one year more i.e., during the current year also, as has been agreed to by the Municipal Council. The enhanced No. of sweepers will not be entertained during the current year.

As these people have been urging for payment of enhanced money, I request for kind permission to draw and disburse the same in anticipation of formal sanction of Government.

As the Sweepers have strenuous work and the Sanitation of the Town cannot be allowed to be neglected, the increase may be paid in anticipation of sanction and the Sweepers recalled for work
